CONSTRUCTION ALERT

AT&T MPOE - Liberal Arts Campus

On September 14th, the executive parking area next to the electrical substation at Faculty Ave will be closed for the construction of the new MPOE Building. These parking spaces will be relocated temporarily to lot B (west of the L.R.C. Building).

Please carefully observe all construction signage and stay clear of construction activity and do not enter barricaded areas. Passersby are especially cautioned of the presence of open, deep trenches throughout the construction period and the movement of large construction equipment in and out of the construction area.

We apologize for any inconvenience and we thank you for your cooperation.
