Areas Impacted: South Quad Complex perimeter fence

Effective Monday, January 26th the South Quad Complex perimeter fence will be moved to the east into Parking Lot J. Construction parking in Lot J will cease at this time until further notice. This is necessary to complete site work in Lot J. The construction fence will be moved in two (2) stages as work progresses. Please refer to the attached diagram.

REMINDER: Work on Carson and Lew Davis will begin next week pending the weather. Pay attention to signage and temporary pathways around construction.

Please carefully observe all construction signage and stay clear of construction activity and do not enter barricaded areas. Passersby are especially cautioned of the presence of open, deep trenches throughout the construction period and the movement of large construction equipment in and out of the construction area.

We apologize for any inconvenience and we thank you for your cooperation.
