Areas Impacted: The Walkways between Buildings L and M and between Building K and the O Trailers

November 2008 through December 2008

The furniture delivery operation for the LAC LRC Project will begin on Tuesday, November 4th, 2008. Trucks will be entering into the south east side of Building L and unloading furniture at the entrance of Building L.

Several parking stalls in Lot C along with pedestrian access between L and M, and K and O trailers, will be interrupted. Parking Lots C and D will remain open. PLEASE DO NOT ENTER the construction zone as indicated on the diagram when the construction fence is down.

Please carefully observe all construction signage and stay clear of construction activity and do not enter barricaded areas. Passersby are especially cautioned of the presence of open, deep trenches throughout the construction period and the movement of large construction equipment in and out of the construction area.

We apologize for any inconvenience and we thank you for your cooperation.
